\*6.3, Qualification: Delete and substitute:

"6.3 Qualification. With respect to products requiring qualification, awards will be made only for products which are at the time of  
award of contract, qualified for inclusion in the applicable qualified products list QPL No. 21097 whether or not such products have  
actually been so listed by that date. The attention of the contractors is called to these requirements, and manufacturers are urged to  
arrange to have the products that they propose to offer to the Federal Government tested for qualification in order that they may be  
eligible to be awarded contracts or orders for the products covered by this specification. Information pertaining to qualification of  
products may be obtained from the Defense Supply Center Columbus (DSCC-VQ), Document Control Unit, Columbus, OH 43216."
